That is what I was hoping for, something that worked well for everyone. I love Milwaukee too, I spent a fair amount of time there between working and playing!

Great, Milwaukee is easy for me! I used to spend a lot of time there early in my career and it's always nice to go back.

Good afternoon John,

It sounds like February 17 will be the day. We decided to meet at Senator Johnson's office in Milwaukee, centrally located for all parties. Once I have the address and time, I will advise.

Thank you again. Have a good evening!
